Entry Irrigation System Successfully Repaired

As the warm weather rolls in, the last thing any of us need is an entryway irrigation system breaking down. Unfortunately, that's exactly what happened. However, we addressed it right away thanks to Matt, our quick-thinking and proactive HOA president. He immediately scheduled a repair, ensuring that our entryway is lush, green, and welcoming again.

Your feedback and observations are always appreciated, so if anyone spots an issue, please let us know. We are committed to maintaining our community to the highest possible standards and ensuring that every one of our residents has a beautiful and well-maintained place they can truly call home.

Street Sign Shenanigans - Community Entry Sign Fixed!

We are excited to announce that the mysterious spinning street sign in our front entry has finally been fixed! Thanks to the swift actions and diligent work of HOA Vice President Jeff Culver, the Winding Oaks Entry sign has remained stable and in the correct position since late March.

Jeff went above and beyond to remedy the situation, digging down 12 inches, drilling a hole in the sign's base, securing a 24-inch piece of rebar through the hole, and pouring 60 pounds of concrete around it - all free of charge. We are truly grateful for his expertise and dedication to solving this frustrating problem. Kudos to Jeff for a job well done!

Building a Future Together

As we all know, life can get hectic and sometimes it feels like we are all just living next door to each other instead of living in a connected community. That's why the HOA has taken the initiative to bring us all together to create a thriving life for everyone. This Newsletter is just the beginning of that process. It will serve as a means to provide you with important updates and announcements, as well as valuable content and information that will help us all grow together.

We encourage you to keep an eye on your inbox for future Newsletters and to reach out to us if you have any suggestions or ideas for upcoming topics. Let's work together to build a strong and connected community.

Please email JillianHouseman1082@gmail.com with any suggestions
