Brantley Oaks Lights Up the Season to Welcome in 2024

Hey neighbors! We couldn't be prouder of our community. We've gone all out this holiday season with stunning lights at the entry that truly capture the magic of this time of year. We hope you all enjoy!

In the past year, we have witnessed remarkable growth in our community. From repairing street signs and welcoming a new HOA President to organizing unforgettable parties and meeting new neighbors, our dedicated HOA team strives to ensure that you all know how wonderful our community is.

We are excited to continue serving you in the upcoming year and feel incredibly grateful to be a part of this extraordinary neighborhood. Let's make the next year even more remarkable together!

Introducing New No Soliciting Sign

Neighbors United: We listened to your concerns and took action! Over the summer, when unwanted soliciting became overwhelming, our HOA took charge and placed a No Soliciting sign at our neighborhood's entrance. While it may not completely eliminate door-to-door interruptions, it will definitely deter companies from targeting us. Enjoy the tranquility you deserve in our community moving forward!
